The ★ items listed above are hazardous household wastes and are not accepted at this event but can be disposed of through the King County Hazardous Wastemobile. In spring 2005, the Wastemobile will visit Kent June 10–12 and 17–19 at the Fred Meyer store, 10201 SE 240th Street, from 10 a.m. to 5 p.m. For additional locations and information on household hazardous waste only, visit www.metrokc.gov/hazwaste/wastemobile or call the Health Department Hazards Line at (206) 296-4692, TTY Relay: 711.

Funding provided by

City of Kent Public Works Department
The Local Hazardous Waste Management Program in King County
King County Solid Waste Division
The Department of Ecology

Recycling products featured...

These are available only at this recycling event and are for Kent residents only. Must show proof of residency. Available while supplies last. No pre-sales.

Backyard Compost Bins

(limit 2 per household)

Bin size 32" x 33" x 34". Made of 100% recycled post-consumer plastic.

\$15 (\$80 value)

Start backyard composting to save resources and money. Composting is a natural process that turns yard waste into rich soil. Yard waste—grass, leaves, old flowers—contains mostly water. Once the water dries, rich soil is all that's left.

Rain Pails

(limit 2 per household)

Made of 100% recycled post-consumer plastic.

\$25 (\$170 value)

Water conservation is becoming an increasing concern, particularly in the summer months. Collection of rainwater runoff is an economical way for you to help conserve. The Rain Pail collects rainwater from your roof downspouts to use for watering gardens. 90 gallon capacity. Two faucets, overflow to existing drain or connecting barrels.

Event information available Monday–Friday until 4:30 p.m. (Not on Saturday or Sunday). For additional Recycling Collection Event information call (253) 856-5549. Information also on City of Kent web site www.ci.kent.wa.us and www.kentrecycles.com

March 19 Russell Road Park

**24400 Russell Rd.
(Near Riverbend
Golf Course)**

**9:00 a.m.
to 3:00 p.m.**

We recommend carpooling to save energy and reduce congestion. The best time to arrive is between 10:00 a.m. and 2:00 p.m. No vehicles can enter after 3:00 p.m.

No flatbeds or dump trucks allowed. We reserve the right to refuse oversized, commercial, contaminated, excessive or unacceptable loads.
